MEMORANDUM FOR

THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Kurdish Dissidence (U)

REFERENCE: My Memorandum of May 4, 1979, Subject:
 Intelligence on Kurds (S)

Your memorandum "The Kurdish Problem in Perspective" (PA 79-10330D, August 1979) is a good beginning at providing background we need on the growing Kurdish problem but we need more. Above all, however, we need to know what the Soviets are saying to Kurds in their broadcasts and publications in Kurdish. Can you provide me with a report as soon as possible on what we know of this?
